# THE VENUE

## 2022 JOINT CONFERENCE

### Hotel NH Collection Brussels Grand Sablon

Rue Bodenbroek 2 - 1000 Brussels

The NH Collection Brussels Grand Sablon, formerly known as NH Hotel du Grand Sablon, is on Brussels' most beautiful square, famous for its antique shops and chocolatiers. It's only a short walk to the luxury boutiques along Avenue Louise and 400 meters from the Central Railway Station. Near to the hotel are the Grand Palace, the centerpiece of the city, and the Royal Museums of Fine Arts.

The rooms match the sophistication and elegance of the antique shops on Sablon square. All of the rooms have a contemporary feel with a fresh neutral color scheme.

### The Dominican

Rue Léopold 9 - 1000 Brussels

The Dominican is situated close to the place de la Monnaie. In the heart of Brussels, the restaurant offers friendly and elegant decorations with a lot of sunlight. On 10 May 2022, a bus will take you to The Dominican at 7 P.M. to enjoy our Gala Dinner.
